

Ms. Forsa's Second Grade Newsletter

As the year comes to a close, I just want to express my thanks for a wonderful 2016-2017 school year. Our class has grown in so many ways – academically, socially and as a Lincoln Bassett Community School family. Many great relationships were made throughout the year between students, teachers and families and I truly enjoyed having the opportunity to work with you all.

Our class showed tremendous growth in literacy and math this year and student success would not be possible without parental support at home – so a big thank you for working with your children on their reading logs and daily homework/math packets. Not only are you supporting their learning, but you are supporting the idea that you want them to be successful – something we have pushed in the classroom throughout the year.

I will miss this group of students, as we definitely did have a lot of fun. But this group is more than ready for third grade, and I see nothing but greatness in their future! Report cards will be distributed on the last day of school which is **Monday, June 26th, 2017 (early dismissal)**.

The last day for the before- and after-school program is Friday, June 16, 2017. Students will only be dismissed as pick-ups or bus students after Friday. Please be sure to let your child know how s/he will be getting home or call the office at (475) 220-8500 with any dismissal changes.

I hope everyone has a fantastic summer, and don't forget to encourage your students to **READ!!!!**

Thank you again for a wonderful year! ☺
